Badgers

Class News

Teacher – Mr Wills & Mrs Davies

Teaching Assistants – Mrs Farmer, Mrs Bance and Mrs MacMillan

Welcome to the Badgers' class page!
We look forward to sharing with you all of the experiences we have had in our class.

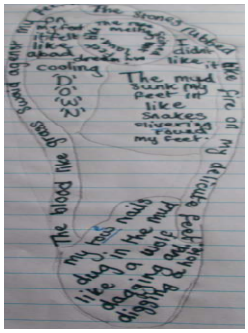
It's been an incredibly busy first half term of the new school year; we have all settled into our new class really well and have enjoyed some fantastic activities and learning experiences.

Heatree House

Some of us in year 6 started the year with a 5 day residential trip to Heatree House where we lived by the values of safety, respect and learning. Alongside taking part in some super activities such as: High Ropes, stream scrambling, archery and mountain biking, we learnt the importance of working together as a team. Many of us conquered our fears and we all had a thoroughly enjoyable week.

Stig Walk

We are reading 'Stig of the Dump' in our guided reading lessons – a book that is captivating our interests. To help us imagine what life must have been like for Stig, we went on a 'Stig walk' across the field. Acting as Stig, we took off our shoes and socks and felt what the earth was like beneath our bare feet. Back in class, we wrote some fantastic sentences, describing our experience.



Spirit of Adventure

Ray Mears watch out; you may have some competition! Many of us in year 5 have recently been on our residential to the Raleigh Estate in Dartmouth where we camped overnight in the forest and learnt some exciting bushcraft skills as well as bonding as a team. Alongside learning how to build and light a fire, we also had the opportunity to make our own pizzas and erect part of the tents we slept in. The highlight for many of us though was the zip wire where we careered from a height of over 40ft across a ravine. We all had a fantastic time and thoroughly enjoyed ourselves.

Upcoming Events

Year 5/6 Production – 13th and 14 December.
