Monday 2nd October

Dear Parents

We are developing a display at school to celebrate the global diversity of our pupils, who now come from as far afield as Australia, South America, the USA and other parts of Europe. The display will indicate where some of our pupils have come from or previously lived, and where their families may have come from originally. We may also be able to include information about exciting places around the world that our children have visited.

We would like to display photos and information about individual children. If you have any problems or concerns about this please could you let me know before the end of the week – if I don't hear from you then I will assume this is ok.

If you have come from or lived abroad and you are able to contribute any photos, postcards etc from that country we would love to receive these. Please send them in an envelope marked for my attention.

If any parents are interested in coming into school to talk to children about other countries around the world then we would love to hear from you – please do get in touch.

Thank you for your help and please don't hesitate to contact me if you have any queries.

Yours sincerely

Mrs K Dixon
(Headteacher)

Headteacher: Karen Dixon
Deputy Headteacher: Julie Solomon
