## Forthcoming 'Theme for the Week'

'Friendship'

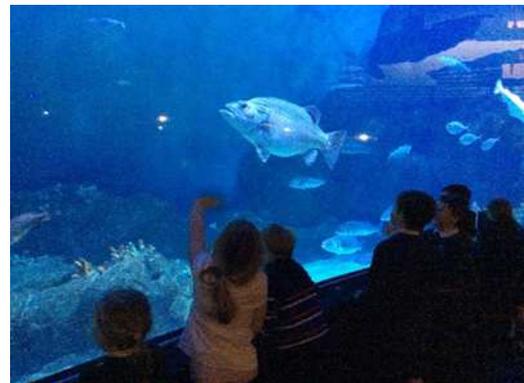

We are continuing to think about how we make the right decisions to keep ourselves safe and will link this to friendship. Carolyn Lawrence from Ivybridge Methodist Church will be talking to us in our assembly.

## Breakfast Club

Unfortunately children arriving at or after 8.15am will not be able to have breakfast as the club needs to be packed up by 8.30am.

## Key Stage One Educational Visit to the Aquarium

The children in Year 1 and 2 visited the National Marine Aquarium this week to kick-start their topic, 'The Big Blue Planet'. They began the day with a science workshop where they investigated how salt water allows things to float. This was followed by a guided tour where they learnt so many weird and wonderful facts. Seeing the starfish and sharks was certainly a highlight of the trip – it was amazing to get so close to the creatures - particularly in the shark tunnel! It was a brilliant trip and the children's behaviour was exemplary throughout the day and they were a credit to Manor School. Miss Woods

## Clubs

Clubs start next week and will run until half term and then for the first 4 weeks after half term. Please could you ensure that children attend clubs that they have signed up to and have a place for and do not 'drop out'. Teachers keep a register each week and it can be very difficult and time consuming to trace children if they fail to turn up. Many thanks.
