Well done and a big thank you to our children in Year 6 who took their SATs this week. They were focused, calm and enthusiastic throughout, and determined to apply themselves and do their very best. We could not be more proud of them—well done to all!

## Chickens

We would be very grateful to hear from any parent(s) who might be able to help out with looking after our chickens, rabbits and guinea pigs? This would include feeding and cleaning out at weekends and in the school holidays. If anyone is able to help, or knows of anyone else who may be interested, then we would love to hear from you as soon as possible.

## Diary Dates

**Monday 15th—Friday 19th May**—Year 5 Bikeability

**Tuesday 16th May, 2.30**—Foundation Classes assembly

**Wednesday 17th May**—Cake sale (see below)

**Monday 29th—Friday 2nd May**—Half Term.

**Monday 5th June**—Back to school

## Cake Sale—Wednesday 17th May

A group of children in Squirrels Class are holding a cake sale at break time next Wednesday, in aid of the British Heart Foundation. All cakes will be 50p. If children would like to buy a cake, they will need to bring this money in with them in the morning. Any donations of cakes on the day would also be very welcome—please deliver these to Squirrels Class.

## Sports Updates

### Football Success!

Manor took part in the finals of the Bettison Cup on Wednesday and finished triumphant after winning the final match on penalties! A notable feature of the performance was how well the team played for each other—they thoroughly deserve this achievement after all of their hard work this season. Huge congratulations to all of the players!

The girls narrowly missed out on cup success the day before in the girls version of the competition, finishing second overall. Again, some fantastic performances from all of the team!

### Athletics Victory!

Manor capped an amazing night of athletics by winning the ILC Quad Kids event. Children performed in running, throwing and jumping events, but most notably excelled in the long distance finale where many were placed in top 5 positions. The 'daily mile' clearly made a difference in preparation for this event! They gave absolutely everything with all players contributing to their overall team success. Manor will now be aiming for a place in the Devon finals.

### Year 3/4 Tag Rugby

Well done to the Year 3/4 children in their first tag rugby competition this Tuesday. The team, featuring several players who were playing for the first time, won 3 and lost 4 over the course of the evening. Congratulations to them!

*Unfortunately, the South Hams round of the Tag Rugby competition has been cancelled. Manor's team has therefore ended the year as runners-up in the area competition. This is a very disappointing outcome for an incredible team who were desperate to have another go at competing in the South Hams event.*

Well done to Robins who have won the attendance shield with an attendance rate of 100%

Congratulations to Beech for winning the House Points Cup this week with 131 house points.

Well done to this week's winners of gold certificates—Summer (Hedgehogs), Jasmine, and Joshua (Squirrels)

## Forthcoming 'Theme for the Week'

*Anti-Bullying—what is bullying, how do we recognise it and what do we need to do to make sure it doesn't happen?*
