Our Year 6 leavers are due to perform their Leavers Assembly today to their parents and families. We are looking forward to what will no doubt be a super, although emotional, performance. It's not long now until our oldest children fly the Manor nest.

As you are probably aware, we have had a shuffle round of classrooms ready for the new term. In September our three Year 5/6 classes (Badgers, Otters, Foxes) will be situated in the classrooms at the pre-school end; Year 3/4 (Hares & Stoats) in the middle two classrooms opposite the hall; Year 1/2 (Hedgehogs, Kestrels & Owls) in their existing classrooms plus a third in the Dairy; and FS (Dormice & Robins) are staying where they are currently.

There will also be some staff changes in the new term. Sadly, we are saying goodbye to teaching assistants Mrs Rowe, Mrs Farmer, Mrs Faulkner and Mrs Janes, all of whom are moving on to pastures new. We will also be saying goodbye to Miss McGrath as an MTA. We wish them all the very best of luck and can assure them that they will be very much missed.

We will be welcoming Mrs Stacey and Mrs Polley as new TAs in our Year 1/2 team, and Miss Liquorish as an MTA, with other appointments pending.

Medication in School

Please note that all medication kept in school will be sent home on the last day of term. If your child still requires their medication, please send this back in in September, ensuring that the supply is well within its use-by date. You will need to complete new paperwork to go with it. This enables us to ensure that all medications are fully up to date. Please remember that we are only able to administer medicines that are prescribed by a doctor, or have a note from a doctor or pharmacist to confirm they are suitable.

Congratulations to Beech for winning the House Points Cup this week with 162 house points.

Well done to our Gold Certificate winners—Leo, George & Ethan (Hedgehogs) & Jessica (Bats).
