We have continued our Big Blue Planet project this week with further work focusing on the environment and the part we can play in preserving it. We will be celebrating this during our Friday assembly and sharing the different activities from across the school. The children have engaged in the topic with great interest and enthusiasm, and we hope that many behaviours will have been changed as a result.

Some of our older children visited Tesco to investigate the packaging that is used on different food products. They came up with some great questions — for example, why aren't paper bags provided for all fruit and vegetables instead of only plastic ones? They have written letters to the store Manager with all their ideas and suggestions.

This is our combined Sports Day and Friends fundraiser. Parents and families are invited to the KS1 sports from 9.30am-11.45am and KS2 from 1.15pm-3pm. Everyone is invited to come along over the lunchtime from 11.45am-1.15pm.

The Friends will be selling refreshments throughout the day including hotdogs at lunchtime. Please feel free to either bring a picnic or to take advantage of the food on offer—your children may join in with you. Children whose parents are not there at lunchtime should have a normal packed or school lunch

PE Kit—children are expected to have correct and clean PE kit for Sports Day—please ensure this is in school from next Monday onwards (i.e. without taking them home again). Kit should include:

- ✦ Black shorts (not long trousers)
- ✦ A house colour t-shirt if purchased from school—otherwise a white polo shirt. Coloured t-shirts from other suppliers are not permitted, so if you don't buy one from school please supply a white top.
- ✦ Trainers and short socks
