Thank you to all the parents and family members coming along to sports day today. The weather forecast seems to be holding out so hopefully it will be a dry and sunny day. Good luck to all the children in their races—we look forward to seeing them having a go, doing their best and most importantly of all, enjoying their day.

Please can we remind parents that as with all school events, any photos of your children should be for your own personal use. Photos that include any other children must not be shared or posted on social media sites. Thank you for your co-operation with this.

Class photos have been sent home with the children this week. If you would like to place an order please ensure this is in to the office by Friday 29th June. Thank you.

### Athletics Success!

Many congratulations to our Brickfields Athletics Team who came 3rd overall in this year's annual competition, with many individual and team wins. More details and photos will be included in next week's newsletter.

### CAP (Child Assault Prevention) Workshops

These will be taking place in all classes over the next two weeks. You will receive a letter explaining what the children have been learning about, giving you a chance to follow up these conversations at home.

### School Gateway—Online payments

Can we please remind parents to register on the School Gateway, see the reverse of the newsletter for more information. We are attempting to phase out all cash/cheque payments for school dinners and administer this online, with the aim of a complete transition from September onwards. We would be grateful if all parents who pay for school meals could do this online from now on using the app.
