## **Impact 2016-17**

Manor Primary achieved The School Games Sportsmark Gold in July 2017 for the fifth year running.

89% of children agreed that they are learning at school how to lead a healthy lifestyle. PE/ sport was regularly cited as one of the things that children enjoy most about school. ([see Pupil Questionnaire 2017](#))

98% of parents agreed that their children are offered an interesting curriculum including extra-curricular activities – up from 95% in 2015. ([see Parent Questionnaire 2017](#))

Manor took part in 100% of the local learning community events. As a result, there was a very high percentage of children representing the school in Level 1 and 2 competitions (75% at KS2).

61% of pupils have taken part in extra-curricular sport at least once a week.

28% of KS2 pupils have been engaged in leading, managing and officiating at activities and competitions.

The school was successful in a range of interschool competitions both locally and regionally.

## Plans for PE & Sport Premium spending 2017-18

- ❖ For the school to embed REAL PE across all year groups. Whole staff INSET to be carried out Autumn 2017. Once trained, teachers will incorporate the training into lessons from early 2018.
- ❖ To continue with the same provision as 2016-17, including the leadership of the PE Co-ordinator; the work of Play Leaders in running lunchtime and extra-curricular provision; continued participation in local competition; the use of sports coaches; Jo Jingles in Foundation.
- ❖ Organise extraction groups for children who are talented in sport, and also for those with co-ordination difficulties.
- ❖ Continue with half-termly intra-house competitions, ensuring that there is increased KS1 and Foundation competition within the programme.
- ❖ Ensure all resources are replenished, kept up to date and of high quality.
- ❖ Develop the provision of resources for outdoor learning across school.
- ❖ Enhance DPA within the school – ‘The Daily Mile’ - provision for all children to access a regular fitness routine at the start of the school day.
- ❖ Develop partnership with Ivybridge Tennis Centre – part fund regular coaching activities for children in KS1 and KS2 to access high quality tennis provision. (Awaiting outcome of ILC grant bid for 2017-18)

## Intended Impact

- ❖ The vast majority of children report enjoyment of and frequent engagement in physical activity, both within and outside school. Children can explain how and why this is good for them and how it contributes to a healthy lifestyle.
- ❖ The vast majority of parents report that their child takes part regularly in physical activity and that the school is supporting this.
- ❖ 100% of teachers report confidence in their ability to teach high quality PE and can explain the impact that this has had on their children’s engagement in physical activity.
- ❖ The school takes part in 100% of the opportunities afforded by the local learning community, and continues its current form of regular success in competitive events.
- ❖ 100% of children have taken part in an intra-school sporting event and 70% in an inter-school sporting event
- ❖ Children develop a love of physical activity and play and a knowledge and awareness of healthy lifestyles that will be sustainable for lifelong well-being.
