## Date for your diary

Thursday 21st October.—Open Afternoon and Apple Tea

We will be hosting an open afternoon from 1-2 pm on this date. There will be a variety of apple themed activities for you to do with your child and refreshments and craft will be on sale as well as Miss Sharon's famous raffle to fund raise for new resources. Everyone is welcome, but all children not normally in pre-school on a Thursday afternoon must be accompanied and supervised by an adult.

Following this, the school are hosting an Apple Tea in the school hall from 2-3pm which you are welcome to attend. We look forward to seeing you.

## Learning this week

This week we have used vegetables to support our learning in lots of different areas. We have pressed them into playdough to make prints.

Outside we made our own field in the tuff tray, we planted our own seeds and made fields and gardens.

In maths we used vegetables to order by size and to group and sort.

This week we used the iPads for the first time. Our teachers were watching to see what we could do. We were very careful and used them well.

## Reminder

T-shirts and jumpers are now available to buy in your child's group colours. Butterflies are blue, Caterpillars are yellow and Ladybirds are red. Please check with staff if you are unsure which colour to buy. The tops are £5 each and can be purchased from the school office.

## Next week

We will be continuing with the story of "The Enormous Turnip".

We will also be thinking ahead and preparing for our Apple Tea open afternoon.

Any donations of apples, flour, sugar or raisins would be gratefully received. Many thanks in advance.
