e-mail: preschool@manor.devon.sch.uk

## Polite reminder.

Please note that we have strict staff/child ratios to follow to ensure the safety and quality of provision that each child deserves. **Therefore we are unable to accept children at pre-school if they have not been previously booked in and a place confirmed.** From February 20<sup>th</sup> if your child is not on the register then they will not be able to attend. For similar reasons if your child is ill or misses a pre-school session it is not possible to swap to another day. Many thanks in advance for your co-operation with this.

## We've been creative this week.

Look at us making our very own dragons outside in the very painty messy tray. After they had dried we added glitter to make them sparkle.

## Physical fun.

We have been using the school hall for climbing and moving and this week we even did some dancing. Back at pre-school we were learning to take turns as well as aiming and throwing.

## Maths

This week we have been learning about tall and short. We have sorted objects and even put ourselves in order according to height.

## Mark Making

As you know there are many ways for young children to explore writing which begins with mark making. This week we had a tuff tray outside with paint and pegs with pom poms, the children then added sticks and eventually their hands! The mark making was in full swing!

## Safety

Please make sure that you have included a code word on your child's registration form which can be used if a different adult collects your child from pre-school. We will not be letting any child leave pre-school unless we are confident that an approved adult is collecting. It is also helpful if you can write in the link books if someone else is collecting your child as these are checked every morning. Many thanks.
