

Dormice and Robins

Class News – Summer 2017

Teachers – Mrs Solomon, Mrs Strawford and Miss Turriff.

Teaching Assistants – Mrs Faulkner and Mrs Chandler.

Hello and welcome to our final web page of the year!

Swimming

We have done so well with our swimming this term. We are now all happy in the water and some of us are beginning to swim unaided. Our changing in and out of our uniform is also slowly improving.

Literacy – Spotty's Adventure

A few weeks ago Spotty was taken by three friendly pirates. This formed the basis of our Literacy lessons and we worked hard on writing letters to establish what had happened and when he would return. We were thrilled when Spotty returned a week later, dressed as a pirate and with lots of photos and of course treasure!

Writing.

We have been trying hard to extend our writing. We have learnt about story maps and have been working as a class, in small groups and independently to use them to help us write. This is something you could easily try at home over the Summer to recount a fun day out.

Maths– Halving

Recently we have been looking at how we can halve numbers. We started by halving a cake and a pizza and then we shared groups of cubes, finally we explored using cubes and numicon to find out how we could find half of a number. Well done everybody.

Understanding the World - Islands

Our pirate theme lent itself nicely to learning about islands. We looked at a map of the world and then Miss Turriff took us on an aeroplane and we used Google earth to visit some islands. We now know we live on an island and that islands are surrounded by water and not attached to any other land.

Sports day

On Friday the 23rd June we had Sports Day. We took part in running, jumping and throwing activities. We were great at cheering each other on and all tried our best. A big thank you to Mr Wills for all his hard work organising such a lovely morning.

Thankyou and goodbye for now!

The staff and children in Dormice and Robin classes would like to thank you for your support throughout the year and wish you a very happy summer holiday. See you in September.
