Why do we have School Council?

- To help improve the school based on the children's point of view.
- To ensure that each class has someone they can talk to share their opinions and suggestions.
- To raise and discuss issues.

What do we do?

We meet regularly with a teacher to have discussions based around an agenda. The minutes of the meetings are shared with all the classes and any actions are recorded. The minutes of our meetings can be found on the school website.

This year we have helped to put together ideas for the development of the outdoor space, organised 'Manor Bake Off' to raise money for Children in Need and ran the games room at the school Christmas fair.

We have also put together an anti-bullying pledge to raise awareness. We did this by collecting the thoughts of the children in our own classes to then put together to help create the pledge. This can also be found on our website.
